

ANNUAL FINANCIAL STATEMENTS

YOUR COMPANY'S BUSINESS CARD

We prepare the annual financial statements for your company reliably and professionally. Depending on individual requirements, we prepare these in accordance with German generally accepted accounting principles (GAAP) and tax law. We furthermore advise you on your accounting and valuation options in compliance with GAAP and tax law regulations.

Our services relating to the annual financial statements basically covers the scope stipulated by law, which depends on the size of your company. The optimisation principle your company applies under tax law or commercial law is of course taken into account in the preparation of the financial statements.
